2:1-11

Four Myths of Self-righteousness

- Myth #1 – Growing up with the Bible and avoiding big sins you can see put me in a good relationship with God. (1-2)
- Myth #2 – God's goodness is a confirmation that He is very pleased with me. (3-4)
- Myth #3 – If I have correct theology, I am safe. (5-8)
- Myth #4 – If I have been raised in the church, I am obviously one of God's favorites. (9-11)
